

Tree Roo Rescue and Conservation Centre Ltd

We are a non-profit organisation that rescues and rehabilitates, orphaned, injured or displaced tree kangaroos.

Unfortunately an increasing number of Lumholtz tree kangaroos are being killed by dogs and hit by cars each year.

Please donate to us and the money will go directly towards treating and caring for these beautiful animals.

16 years of caring for injured tree kangaroos

Caring for Kuranda's Environment

"by standing on the shoulders of those who've gone before"

Nursery: 284 Myola Rd, Mon & Thu 9am-1pm, Sat 10-noon, ph: 4093 8989 / 4093 8393

Frog Friendly Face for Jum Rum creek

Envirocare would like to speak to any landholder whose property borders onto Jum Rum creek. With a small amount of grant funding allocated by the Federal **Caring For Our Country** environmental program would like to support you in enhancing your creek edge to create a frog-friendly environment. We can help to stabilise banks against soil erosion, replacing weed species with low growing natives and generally making Jum Rum creek a more friendly environment for you and for frogs. Rainforest frog species are like the canary in coal mines, their presence shows the health of our rainforest streams.

Sylvia Conway - Litoria myola

KURANDA DAY FESTIVITIES

The banks of the Barron River were buzzing with excitement as the local community helped to plant 300 native grasses and take part in the annual Raging Thunder Raft Race. Team Envirocare was made up of 8 warrior women who paddled through to take out 3rd place.

The sounds of acoustic tunes and the wafting aroma of local home made sausages sizzling added to ambience of the day as we were busy at our Envirocare stall selling books on *How to Repair the Rainforest* and teaching youngsters how to keep our rivers clean.

We had a steady stream of keen tree planters, young and old, from far and wide, who showed up to give a helping hand or wanted to bide their time as they waited in line for their once a year opportunity to take a free river cruise. I would like to say a huge thank you to every one of you who contributed to a very productive, educational and super fun Kuranda Day with Envirocare!

Date Claimers

General meeting Thursday 7 November 7.15 pm
Focus: Strategic Planning - which way the Environment?
Kuranda Recreation Centre, Fallon Road
Light supper to follow. All members welcome.

Community Tree Planting (new site) Sat 9 November 8.00am
